

Parents' Information Evening

Tuesday 21st October 2014 from 5pm-7pm
2 Belgrave Close, Mill Hill, NW7 3QG

We invite all parents to take a peek inside our Montessori classroom on this special evening.

We will be joined by Elina Rautasalo (AMI 3-6 Trainer; B.Ed) from the Maria Montessori Institute to speak about the language scheme in a Montessori classroom. The Montessori classroom is designed in such a way that all activities gear themselves naturally toward the development of the skills required for oral and written language as well as reading. This will be explored in further depth.

Sabeen Nanji, who is currently studying for a Master's in Integrated Provision for working with Children and Families, will also speak briefly. She will discuss ways in which parents can support their child's development at home, as well as other insights she has learnt.

Refreshments will be served on this occasion. Please kindly note that this talk is only for parents, so please make provisions of care for children during this time.
